This 2001 Library Bond Program project is scheduled to be completed late 2004 and will feature a teen center, a computer training lab, a children's story room and an auditorium that will be shared with the adjacent Parks and Recreation Department Community Center.</p> <p>The Burton Barr Central Library (1221 N. Central Avenue) and the Cholla Regional Branch Library (10050 Metro Parkway East) also serve the Westside community. The Burton Barr Central Library supports the entire Phoenix metro area through its many specialized resources and services, diverse programming and its unique and accessible facility. The 30,000 square foot Cholla Regional Branch Library serves the near northwest city and is readily accessible to Westside residents via public transportation and the I-17 Freeway.</p> <p>Charter schools are not required to provide libraries. The charter school students frequently use the public libraries.</p> <p>Additional public computers with internet access will be provided in the new Palo Verde branch.</p>
